Dear Customer,

PRESIDENT'S LETTER

From all of us at Lyndon State Bank, we hope you had a healthy and successful 2023! We certainly enjoyed seeing many of you at our Christmas open house, our 122nd anniversary celebration and the many community events, festivals and parades we attended.

Bringing you the best, most convenient banking services is our goal every year and this past year was no different. We expanded our school debit card offering by adding an Osage City Indian card. All our cards will be upgraded to have the contactless payment option starting in February, so you can now tap and go! We also have the ability to make your replacement card at our Lyndon location; no more waiting for a new card in the mail. Soon you will be able to add your debit card to your mobile wallet!

Thanks again for all your support this past year!
We wish you a safe, healthy and successful 2024!

God Bless!
