Dear Customer,

## PRESIDENT'S LETTER

It is hard to believe we are starting a new year! Hopefully 2024 brought you more joy than sorrow and more success than failures. Thank you for your trust and support this past year! From all of us at LSB, we wish you a 2025 filled with good health and happiness!

It was great to see many of you at our open house and to help us celebrate the retirement of our CEO David Thornburgh. David has been a big part of our LSB family for 26 years!

Blake Jones is our new CEO. Blake started working at the Topeka branch part time while he attended college. He has worked up through the ranks to earn this new leadership role. We look forward to seeing him develop in this new position and help guide the future of LSB.

As with every year, we will continue our efforts to improve our products and services to make banking with Lyndon State Bank the easiest, safest and most convenient experience possible. We wish you all a safe and successful 2025!

God Bless!

**What is APY?**

Lyndon State Bank  
Two Locations

Lyndon Branch  
817 Topeka Ave  
Lyndon, KS 66451  
(785) 828-4411

When dealing with a Certificate of Deposit, you are given a Rate and an APY, or Annual Percentage Yield. So, what does that mean and what is the difference between the two terms? The simplest answer is compound interest! The most important distinction between the two is compound interest. The interest rate is the rate that is earned on the original amount of money. The APY is interest that is earned on the original amount and the amount of compound interest earned in one year. While this can be a complex question, the thing to remember is compound interest allows your money to grow quicker over time.

## Meet the new CEO of Lyndon State Bank

Blake grew up on the family farm a few miles south of Melvern. He attended Washburn University and was a part time teller at our Topeka Branch. After graduating college with a bachelors degree in finance and management he moved back to the area and transitioned to our main office in Lyndon where he soon took over the ag lending department and worked his way into a senior management position. Blake has three kids: Dex (9), Collins (7) and Lincoln (3), who he enjoys coaching with the Waverly Rec. When he's not at the bank, you can find him working on his family farm where they have a row crop and hay operation as well as a registered angus herd of cattle.
